Distribution of the allotment for Backward Class Scholarships.

READ—

1. Government Order No. 8940-90—Edn. 96-16-12, dated 8th May 1917.
2. Government Order No. E. 5030-3—Edn. 142-21-42, dated 17 February 1923.

The marginally noted Government Orders relating to the institution of scholarships for the education of the Backward and Depressed Classes, the distribution of the allotment for the said scholarships and rules for the award of the same.

2. Government Order No. 2210-24—Edn. 532-20-4, dated 3rd December 1921, passing orders on the systematisation of the scheme of scholarships tenable in the State and in British India.

3. Resolution No. VIII of the Budget Session of the Representative Assembly 1924, suggesting that the allotment for the Backward Class Scholarships be distributed between the Backward Communities and the Depressed Classes on the basis of population of the respective communities.

4. Resolution No. XXIII of the Budget Session of the Representative Assembly 1924, suggesting that all communities which have a population of three lakhs and more be treated as a separate group for the purpose of awarding Backward Class Scholarships.

5. Correspondence ending with letter No. 4051, dated 23rd March 1926, from the Secretary, Economic Conference, forwarding copy of the resolution of the Board of Education passed at their meeting held on 30th January 1926, regarding the suggestions contained in the above resolutions.

6. Un-official Note No. 1 of 1926-27, dated 22nd July 1926, from the Inspector-General of Education on the subject.

ORDER NO. E. 1258-62—EDN. 70-24-123, DATED 30TH AUGUST 1926.

Out of the amount sanctioned for the award of scholarships annually under the Backward Class Scholarship Scheme, a sum of Rs. 15,000 is set apart exclusively for the benefit of the Depressed Classes and the balance is distributed among the several Backward Communities including the Depressed Classes in proportion to the population of the respective communities or groups of communities.

The Resolution of the Representative Assembly suggesting the distribution of the full amount among the Backward Communities and the Depressed Classes on the basis of their population was referred to the Board of Education who have resolved that no revision of the existing scheme of distribution is necessary.

The Inspector-General of Education who was also consulted in the matter states that it is not possible to bring the allotment of Rs. 15,000 specially reserved for the Depressed Classes into the general pool as the distribution strictly according to the population basis will result in an appreciable reduction of the amount now allotted to them.

On a careful consideration of the question, Government observe that in the present condition of education among the Depressed Classes, it is not expedient to curtail to any extent the facilities allowed, to them, as it would affect their progress in education. They are therefore pleased to accept the recommendation of the Board of Education and the Inspector-General that the existing scheme of distribution of the allotment of Backward Class Scholarships among the Backward Communities and the Depressed Classes may be left undisturbed.

As regards Resolution No. XXIII suggesting that all communities who have a population of three lakhs and more be treated as separate groups for purposes of award of Backward Class Scholarships, the Board of Education have observed that at present no community having a population of three lakhs and above is combined with other communities for the purpose, except the Kurubar Community which has a population of over five lakhs and have recommended that the Kurubar Community may be treated as a separate group for the award of scholarships. The Inspector-General has stated that the Kurubar Community has been treated as a separate group by itself during the current year. Government direct that all communities which have a population of three lakhs and more be treated in future as separate groups for award of Backward Class Scholarships. The action of the Inspector-General in having treated the Kurubar Community as a separate group during the current year is approved.

P. G. D'SOUZA
Chief Secretary to Government.

The Press Room at Mysore.

READ—

Government Order No. G. 5323-39—G. M. 12-23-5, dated the 26th September 1923, directing among other matters that the Chief Officer of the Mysore City Municipality be entrusted with the charge of the Press Room at Mysore.

2. Government Order No. L. 7106-8—Ml. 29-25-49, dated the 25th May 1926, sanctioning the abolition of the post of Chief Officer and the appointment in his place of a Revenue Officer of the grade of an Amildar.

ORDER NO. G. 2554-62—G. M. 104-26-1, DATED 3RD SEPTEMBER 1926.

Government are pleased to direct that the Revenue Officer be in charge of the Press Room at Mysore.

P. G. D'SOUZA,
Chief Secretary to Government.
